9) (a) Account Procedure.

As proposed by the Sub Committee and approved by the Sanitary Board, the provisions of the Mysore Account Code and Mysore Municipal Manual to the extent applicable and special rules framed for the Sanitary Board from time to time as sanctioned by Government may be continued to be in force. It is, however, desirable to have a separate set of rules framed, as applicable to the Sanitary Board, in the form of a Manual, for information & guidance.

10) (b) Powers of the President -

As regards the removal of the restriction of confining expenditure up to Rs 50/- only for purposes of sanitation and extending the power of the President on all items of expenditure, such a relaxation appears necessary in view of the special area and the need for empowering the President to deal with cases promptly, as there will be long intervals between any two meetings of the Board.

OFFICE OF THE PRESIDENT, SANITARY BOARD,
KOLAR GOLD FIELD.

Dated, Champion Reefs 9th July 1928.92

From

A. K. Syed Taj Peeran, Esq., B.A.,
President, Sanitary Board, Kolar Gold Field,
CHAMPION REEFS.

To

R. Ranga Rao, Esq., B.A., B.L.,
General Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

SIR,

With reference to para 3 of G.O.No.L.4011-14 L.B.91-27-43 dated 13th January 1928, I have the honour to submit herewith a copy of the Sub Committee's report together with a copy of the Sanitary Board's resolution dated the 28th June 1928 in connection with the Account Rules of Proceedure for the K.G.F. Sanitary Board, suggested by the Local Auditors of the Comptroller's office in their Audit Notes of 1924-25.

The Board endorse the opinion of the Sub Committee in that the Board are now governed by para III of Sanitary Board Bye-Laws published in Government Notification No.4031-L.F.17-19 dated 14th September 1900 and G.O.No.3610 L.B.130-223 dated 14th November 1923 & Bye-law III, paras a, b & c and according to the methods of the Mysore Account Code subject to reference to the Municipal Account Code in regard to the disposal of such few items to which reference is omitted in the Mysore Account Code.

The Board also agree to the Sub Committee's proposal that the President should have powers to spend up to a limit of Rs 50/- on all items of expenditure and not confined only "for the purposes of Sanitation". They have also resolved to amplify the existing rule accordingly.

I have the honour to request that you will be so good as to obtain the approval of Government to the adoption of the Mysore Account Code and the Municipal Account Manual as proposed by the

Board, in addition to the existing Rules laid down in Bye-law III, a,b,& c of Government notification Nos. 4031- L.F.17-99 dated 14th September 1900 and L.3619 L.B.130-22-3 dated 14th November 1923.

I am of opinion that the ~~the pecuniary~~ particular constitution of the Board and local conditions do not make it possible to be solely guided by only one of these codes. Efficiency, in the Board's management could only be maintained by adopting proceedures in both the codes whenever necessary. After all, there are not many points of difference between these two codes. And also by referring to both of them, there will not be any irregularily in the accounts.

As further proposed by the Board, the sanction of Government may also be obtained for suitably amending the exisitng Bye-law III b in Go-vernment notification No.4031- L.F,17-99 dated 14th September 1900, so that the restriction of confining the expenditure only for purposes of sanitation might be removed. The words " on all items of expenditure" may be substituted for " for the purposes of sanitation".

The rule after amendment will stand as follows:-

III (b) "The President shall keep the Accounts, disburse the pay of the Sanitary Establishment, and expend as such sums as may be necessary on all items of expenditure, from the funds at the disposal of the Board, not up to Rs 50/- a month, without reference to the Board; for the expenditure of a larger sum at any time, the sanction of the Board shall be obtained at an ordinary meeting".

I think that it is necessary that the President should be empowered to incur an expenditure of Rs 50/- for all purposes, without being -- restricted, as at present, to only sanitary purposes.

I have the honour to be,

S i r,

Your most obedient servant,

A. A. Baker
